# Pilot.DISPATCH™

*Pilot.DISPATCH™ simplifies and facilitates meeting the challenges of your Maritime environment. Pilots, dispatchers, agents, Coast Guard and administrative employees collaborate and communicate with more efficient and effective technologies. Now available across all platforms - computers, tablets and smartphones.*

- *Customizable Dispatching Rules and Procedures*
- *Access to real time and historical data with ease and speed*
- *Audit log detail of all modifications to turns/jobs by user with date and time stamp*
- *Click to call VOIP enabled buttons for instant communication*
- *Intuitive Flow and Design*
- *Secure full-color Dashboards*
- *Pilot Rotation Scheduling and Management*
- *Modifiable Reporting Capabilities*
- *Vessel and Cargo Management*
- *Pilot Fatigue Management (Manpower Management)*
- *Tide Management*

# Pilot.INVOICE

*Pilot.INVOICE integrates your Pilot.DISPATCH information with your financial accounting software making back office administration easy and organized. Now you can easily calculate and adjust your Tariffs for changes to rates and billing rules. Reduce billing errors and time by automatically calculating services, storage and utility fees, manpower penalties and adjustments, etc.*

- *General Ledger*
- *Accounts Receivable*
- *Pilot Billing*
- *Pilot Invoice*
- *Reports and Statistics for Tariff Reporting*
- *3rd Party Systems Integration*

# Pilot.LICENSE

*Pilot.LICENSE tracks physicals, certifications, continuing education credits and other related credentials. Parties are notified of upcoming expirations automatically based on pre-determined rules and regulations set by management.*

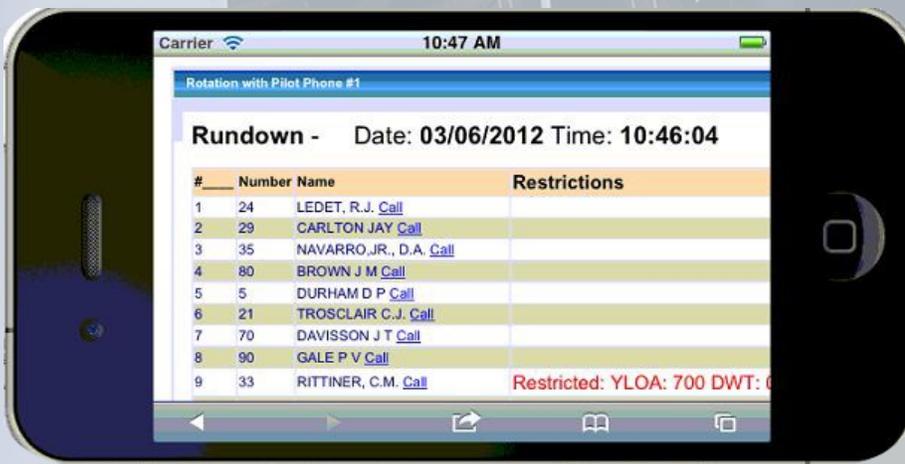

- *License Management*
- *Email Notifications*
- *Renewal Letter Creation*
- *Vendor Management and contact info for license renewal*
- *Alerts management and history tracking*

*Pilot.WEB allows you to securely access real time rotation status, vessel information and current alerts through your web portal by computer, tablet or smartphone. Pilots, Dispatchers, Agents, Regulatory Agencies and other employees will have access to role-based information when they login through the secure portal using their unique login credentials.*

*Up-to-the second information:*

- *Incoming/Outgoing/Pending Job Lists*
- *Click to Call on phone numbers on Job/Turn listings*
- *Rotation (with Click to Call)*
- *Weather*
- *Vessel*
- *Alerts*
- *Web Job Order*
